Background: Seller provides lead feeds from third party generators and sells a portion or all of the leads to Buyer for a monthly fee. Buyer wishes to purchase all or a portion of the leads from Seller for Buyer's non-exclusive use in order to provide promotional offers to the leads from itself and third party advertisers ("Advertisers"). The term "Leads" as used herein shall mean the aggregation of all the Data Records furnished by Seller to Buyer. Buyer agrees not to use the Data as part of any CD-ROM product, or sell, rent, sublicense, transfer, export, display, forward or otherwise share the Data with any third party except as expressly provided herein. The buyer is responsible for all DNC filtering, data cleaning, data formatting, being can-spam compliant and following all laws for each channel marketed to. Seller and its associates are not responsible for any liabilities or lawsuits that might result from buyers marketing strategies. To Sellers knowledge, all leads provided from the many lead aggregators the Seller works with are single opt-in approved by the privacy policies of each source website. Only clear and legible printing and signatures will be accepted.
